Section 8.11 - Permitted Transfers:

Notwithstanding anything contained in this Operating Agreement to the contrary, a Member shall have the right to transfer all or any part of his Membership Interest to another Member or to a transferee that bears one of the following relationships to the transferring Member: a spouse, a lineal descendant or a trust created for the exclusive benefit of the transferring Member, the transferring Member's spouse and/or the transferring Member's lineal descendant(s).

Section 8.12 - Percentage of Limitations or Transfers:

The Manager may also establish on the books of the Company or a Series of the Company one or more subaccounts (the “Subaccounts”) to eliminate participation by a Member (a “Restricted Member”) in the income or loss from a particular Investment (an “Excluded Investment” and collectively the “Excluded Investments”) if the Manager determines in its sole discretion that the Restricted Member may not invest, directly or indirectly, in such Excluded Investment under applicable laws. If Subaccounts are established by the Manager, the Manager shall allocate the net assets of the Company to the Members’ Subaccounts in accordance with the Company Percentages of the Members, except that, for an Excluded Investment, the Restricted Member shall not receive any allocation of income, gain or loss, attributable to the Excluded Investment, and the income, gain, or loss attributable to the Excluded Investment shall be allocated among the Members other than the Restricted Members as provided in Section 9.02. Once Subaccounts are established, the value of the Company’s net assets will be calculated separately for each Member based upon the newest assets of the Investments allocated to each Member’s Subaccount.

- (c) Except as otherwise provided in this Operating Agreement, all items of Company income, gain, loss, deduction and any other allocations with respect to a Series not otherwise provided for herein shall be divided among the Members associated with such Series in the same proportions as they share Profits and Losses with respect to such Series for the Fiscal Year in question.
- (d) The Members are aware of the income-tax consequences of the allocations made by this Article IX and hereby agree to be bound by the provisions of this Article IX in reporting their shares of Company income and loss for income-tax purposes.
- (e) Net Profits and Net Losses attributable to Excluded Investments shall be allocated among all Members that are not Restricted Members in proportion to their respective Percentage Interest in each Series in which a Restricted Member is a Member.

Section 9.03 - Tax Allocations: §704(c) of the Code:

- (a) In accordance with §704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss and deduction with respect to any property contributed to the capital of the Company with respect to any Series shall, solely for income-tax purposes, be allocated among the Members associated with such Series so as to take account of any variation between the adjusted basis of such property to the Company for federal income-tax purposes and its initial Gross Asset Value (computed in accordance with Section 1.01 hereof).
- (b) In the event the Gross Asset Value of any Company asset associated with a Series is adjusted pursuant to Paragraph (ii) of the definition of "Gross Asset Value" contained in Section 1.01 hereof, subsequent allocations of income, gain, loss and deduction with respect to such asset and such Series shall take account of any variation between the adjusted basis of such asset for federal income-tax purposes and its Gross Asset Value in the same manner as under §704(c) of the Code and the Treasury Regulations thereunder.
- (c) Any elections or other decisions relating to allocations with respect to a Series under this Section 9.03 including the selection of any allocation method permitted under Treasury Regulation §1.704-3, shall be made by the Manager in such Series in any manner that

reasonably reflects the purpose and intention of this Operating Agreement. Allocations pursuant to this Section 9.03 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account with respect to any Series or share of Profits, Losses, other items or distributions pursuant to any provision of this Operating Agreement.

Section 9.04 - Distributable Cash:

Except as otherwise provided in Article XII hereof, any distribution of the Distributable Cash of any Series during any Fiscal Year shall be made to the Members associated with such Series in proportion to such Members' respective Percentage Interests in such Series.

Section 9.05 - Distribution Rules:

- (a) All distributions with respect to a Series pursuant to Section 9.04 shall be at such times and in such amounts as shall be determined in the sole discretion the Manager of such Series.

The Manager is authorized to withhold from distributions, or with respect to allocations, to the Members of the Company or of a Series of the Company and to pay over to any federal, state or local government any amounts required to be so withheld pursuant to the Code or any provision of any other federal, state or local law and shall allocate such amounts to those Members with respect to which such amounts were withheld.

Section 9.06 - Limitation upon Distributions:

- (a) Notwithstanding any provision to the contrary contained in this Operating Agreement, the Company with respect to a Series shall not make any distribution to any Person on account of its interest in the Company with respect to such Series if such distribution would violate §18-215 or §18-607 of the Act or other applicable law.
- (b) The Members associated with a Series may base a determination that a distribution or return of contribution may be made under Section 9.06(a) in good-faith reliance upon a balance sheet and profit and loss statement of the Company with respect to such Series represented to be correct by the Person having charge of its books of account or certified by an independent public or certified public accountant or firm of accountants to fairly reflect the financial condition of the Company and such Series.

Section 9.07 - Accounting Method:

For both financial and tax-reporting purposes and for purposes of determining Profits and Losses, the books and records of the Company with respect to each Series shall be kept on the accrual method of accounting in a consistent manner and shall reflect all Company transactions with respect to such Series and be appropriate and adequate for the Company's business.

- (g) minutes of every meeting held, if any;
- (h) any written consents obtained from Members associated with such Series for actions taken by such Members without a meeting; and
- (i) the Manager shall send to the Members, on or before March 15 of each year, un-audited financial statements for the prior Fiscal Year. Because the Company will be unable to issue its year-end audited financial statements until it receives year-end statements from each Underlying Investment Manager, the Company is likely to issue its annual audited financial statements approximately one hundred and twenty (120) days after the end of each Fiscal Year. In addition, the Manager shall send to the Members monthly un-audited financial information detailing the Members NAV in each Series of the Company that the Member is a member.

- (j) Members of the Company will receive a report on form K-1 summarizing the Members' allocable share of the Company's income, gain, and loss for each Fiscal Year. The Company will endeavor to issue the K-1 reports by March 31 of the following year, but because the Company must receive similar information from each Underlying Investment Manager; there is no assurance the Company will be able to do so in a timely manner.

Section 9.11 - Returns and Other Elections:

The Managers shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such returns, or pertinent information therefrom, shall be furnished to the Members within a reasonable time after the end of the Company's Fiscal Year. - (b) The Tax Matters Partner shall, within ten (10) days of the receipt of any notice from the Internal Revenue Service in any administrative proceeding at the Company level relating to the determination of any Company item of income, gain, loss, deduction or credit, mail a copy of such notice to each Member.

Section 9.13 - Right to Make §754 Election:

Each of the Members shall supply the information necessary to give effect to such an election.

In the case of a transfer of a Membership Interest on the death of a Member of a Series or of the Company, the basis of the Series' property or Company's property shall be adjusted in the manner provided in Code §743 and the Series or the Company shall file such information as may be required by the Regulations to report a Code §754 election. In any other case to which the elections under Code §734 and Code §743 may apply, the Managers shall make such determination from time to time.

Section 9.14 - Tax Classification:

It is the intention of the parties hereto that the Company be classified as a partnership, and not as an association taxable as a corporation, for federal income-tax purposes, and the provisions of this Operating Agreement shall be interpreted in a manner consistent with such intention. No election shall be filed with the Internal Revenue Service (or the tax authorities of any State) to have the Company taxable other than as a partnership for income-tax purposes without the prior consent of all Members.

A transferee may be admitted as a Member of any Series or the Company only upon compliance with Section 11.01 and express written consent of the Manager. A Member may, without consent, transfer its interest in a Series of the Company to a revocable trust for the primary benefit of the Member's family, of which the transferor is the Donor and a Trustee thereof. The transferor's family shall mean the Member's then-current spouse and the Member's lineal descendants. Any transfer, other than a transfer permitted under this Section, shall be considered an assignment of the Member's interest.

ARTICLE XI

- (b) Any Person receiving a Membership Interest in a Series pursuant to Section 10.01 that is not admitted as a Member associated with such Series pursuant to this Section 11.01 (whether by failing to receive Manager's approval with respect to such admission, or by failing to execute a counterpart to this Operating Agreement and a counterpart to a Separate Series Agreement or otherwise) shall be deemed to be a mere assignee of a Membership Interest associated with such Series. Unless otherwise admitted to the Company as a Member pursuant to this Operating Agreement, an assignee of a Membership Interest has no voting or other management rights with respect to the Company or any Series.

Section 11.02 - Retroactive Allocations:

No additional Members or assignees of Membership Interests shall be entitled to any retroactive allocation of the Company's income, gains, losses, deductions, credits or other items; provided that, subject to the restrictions of §706(d) of the Code, additional Members and assignees of Membership Interests shall be entitled to their respective shares of the Company's income, gains, losses, deductions, credits and other items arising under contracts entered into before the effective date of the issuance or transfer of Membership Interests to the extent that such income, gains, losses, deductions, credits and other items arise after such effective date. To the extent consistent with §706(d) of the Code and Treasury Regulations promulgated thereunder, the Company's books may be closed at the time Membership Interests are issued or transferred (as though the Company's taxable year had ended) or the Company may credit to additional Members and assignees of Membership Interests pro rata allocations of the Company's income, gains, losses, deductions, credits and items for that portion of the Company's Fiscal Year after the effective date of the issuance or transfer of the Membership Interests.

Subscription Agreement
April 2006

Last Atlantis Partners LLC
a Delaware Series Limited Liability Company

This Subscription Agreement (“Subscription Agreement”) is made by and among Last Atlantis Partners LLC, a Delaware Series Limited Liability Company (“Fund”), Last Atlantis Capital Management LLC, a United States Virgin Islands Limited Liability Company, the Fund’s Manager (“Fund Manager”), and the subscriber (“Subscriber”) named on the signature page of this Subscription Agreement.

WHEREAS, the Subscriber desires to acquire a Membership Interest (“Interest”) in and to become a Member of a particular Share Class or multiple Share Classes of the Fund.

WHEREAS, the Subscriber understands and acknowledges that no federal, state, or regulatory agency has made any findings or determinations as to the merits or fairness of an investment in the Fund.

WHEREAS, the Subscriber acknowledges that the Fund intends to convert from a stand-alone fund to a master feeder structure as described in the Memorandum and hereby consents to the conversion.

WHEREAS, the Subscriber acknowledges that it has not relied on the Fund or the Fund Manager for any tax advice, and that the Subscriber has relied solely on its own tax advisors for advice regarding the tax implications and consequences of an investment in the Fund. If the Subscriber is a tax-exempt entity, it acknowledges that the Fund may use “borrowed funds” to invest, and that as a result an investment in the Fund may generate taxable income to it.

WHEREAS, capitalized terms used but not otherwise defined in this Subscription Agreement shall have the meanings specified in the Fund’s Operating Agreement (dated “September, 2005” and as amended from time to time, the “Operating Agreement”), in the form that accompanies the Confidential Private Placement Memorandum (dated “September, 2005” and as amended, supplemented or updated from time to time, the “Memorandum”).

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements set forth in this Subscription Agreement, the parties hereto agree as follows:

ARTICLE I
SUBSCRIPTION FOR THE INTEREST

- 1.1 Subscription for Interest. Subject to and in accordance with the respective terms and conditions of this Subscription Agreement, the Operating Agreement, and the Memorandum, Subscriber hereby irrevocably subscribes for and agrees to purchase the Interest and to become a Share Class(es) Member; and to be bound by all of the

provisions of the Operating Agreement, and to make a cash Capital Contribution to the Share Class(es) of the Fund in the amount(s) set forth on the signature page to this Subscription Agreement.

- (a) Acceptance or Rejection. The Fund Manager may reject the Subscriber's subscription, in whole or in part, for any reason and in its sole discretion. If rejected, the Fund will promptly return the subscription funds and this Subscription Agreement will be void. If the Fund Manager accepts this Subscription the Subscriber will become a non-managing Member of the Fund and bound by the Operating Agreement.
- (b) Involuntary Withdrawal. The Fund Manager has the right to involuntarily redeem any Member's Interest at any time with or without cause.
- (c) Prevailing Net Asset Value. The Fund will redeem an Interest only at the then-prevailing Net Asset Value, subject to the restrictions and conditions set forth in the Memorandum and the Operating Agreement.
- (d) Payment of Fees. The Subscriber hereby authorizes the Fund to pay the Fund Manager and the Underlying Investment Managers the Asset Management Fees and the Performance Fees as specified in the Memorandum and the Advisory Agreement. The Performance Fee may create an incentive for the Fund Manager and/or the Underlying Investment Managers to make investments that are more speculative or subject to greater risk than if no such Performance Fee existed.
- (e) Anti-Money Laundering Information. The Subscriber agrees to provide any information deemed necessary by the Fund to comply with its anti-money laundering program and related responsibilities as required by the Fund Manager.

 - (1) employs one or more individuals on a full-time basis;

- (iii) a person or entity resident in or whose subscription funds are transferred from or through an account in any foreign country that has been designated as non-cooperative with international anti-money laundering principals or procedures by an intergovernmental group or organization, such as the Financial Action Task Force on Money-Laundering, of which the United States is a member and with which designation the United States representative to the group or organization continues to concur (each, a “Non-Cooperative Jurisdiction”).
- (g) Prohibited Investor Affirmation. The Subscriber affirms that neither any person controlling, controlled by, or under common control with it, nor any person having a beneficial interest in it, is a Prohibited Investor, and that it is not investing and will not invest in the Fund on behalf of or for the benefit of any Prohibited Investor. The Subscriber agrees to promptly notify the Fund of any change in information affecting this representation and covenant.
- (h) Prohibited Investor. The Subscriber acknowledges that if, following its investment in the Fund, the Fund Manager reasonably believes that the Subscriber is a Prohibited Investor or has otherwise breached its representations and covenants hereunder, the Fund may be obligated to freeze its investment either by prohibiting additional investments, declining any withdrawal requests and/or segregating the assets constituting the investment in accordance with applicable regulations, or its investment may immediately be redeemed by the Fund, and it shall have no claim against the Fund, or the Fund Manager for any form of damages as a result of any of the aforementioned actions.

- (i) Subscriber's Identity. The Subscriber acknowledges that additional investments by the Subscriber may be refused and/or a request for withdrawal may be delayed or declined if the Fund reasonably believes it does not have satisfactory evidence of the Subscriber's identity.
- (j) USA PATRIOT Act. The Subscriber represents that, except as otherwise disclosed to the Fund in writing:
 - (i) it is not:
 - (aa) a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-owned corporation (a "Senior Foreign Political Leader"), including any corporation, business or other entity that has been formed by, or for the benefit of, a Senior Foreign Political Figure;

The Fund Manager in its sole discretion may waive the minimum investment to a Subscriber without waiving the minimum to all subscribers.

**ARTICLE II
REPRESENTATIONS AND WARRANTIES OF THE SUBSCRIBER**

2.1 Representations and Warranties. In connection with its subscription for the Interest, and as a material inducement to the Fund to issue the Interest to the Subscriber, the Subscriber hereby makes the following representations and warranties to the Fund Manager:

- (a) Power and Authority. The Subscriber is fully authorized, empowered and qualified to execute and deliver this Subscription Agreement and the Operating Agreement collectively (the “Subscriber Agreement”), to subscribe for and purchase the Interest and to perform its obligations under, and to consummate the transactions that are contemplated by, each Subscriber Agreement. Without limiting the generality of the foregoing, the subscription for and the purchase of the Interest, and the execution and delivery of each of the Subscriber Agreements, by the Subscriber have been authorized by all necessary corporate or other action of, or on behalf of, the Subscriber, and each of the Subscriber Agreements is a legal, valid and binding obligation of the Subscriber, enforceable against the Subscriber in accordance with its terms. The signature of the person, individual or other party signing any Subscriber Agreement as, or on behalf of, the Subscriber is binding on and enforceable against the Subscriber.
- (b) Compliance with Laws; No Conflict. The execution and delivery of the Subscriber Agreement by or on behalf of the Subscriber and the performance of the Subscriber’s obligations under, and the consummation of the transactions contemplated by, the Subscriber Agreement do not and will not conflict with or result in any violation of, or default under, any provision of any charter, bylaws, Trust Agreement, Partnership Agreement, Operating Agreement, or other governing instrument applicable to the Subscriber, or other agreement or instrument to which the Subscriber is a party or by which the Subscriber is, or any of its assets are, bound, or any permit, franchise, judgment, decree, statute, rule, regulation or other law applicable to the Subscriber or the business or assets of the Subscriber.
- (c) Binding Effect. The Subscriber acknowledges that this Subscription Agreement may not be assigned by the Subscriber without the prior written consent of the Fund Manager and may not be canceled, terminated or revoked by the Subscriber.
- (d) Residence and Principal Place of Business. The address set forth on the signature page to this Subscription Agreement is the Subscriber’s correct residence or principal place of business (as applicable), and the Subscriber has no present intention of moving its residence or principal place of business (as applicable) to any other domestic or foreign jurisdiction.
- (e) Receipt of Documents Access to Information. The Subscriber has received copies of the Memorandum and the Subscriber Agreement. The Subscriber has carefully reviewed and is familiar with the terms of the Memorandum and the Subscriber Agreement. The Subscriber has been given the opportunity to ask questions, and has received satisfactory answers, concerning the terms and

conditions of an investment in the Fund, and has been given the opportunity to obtain any additional information, and has obtained all such information requested by the Subscriber, in order to evaluate the merits and risks of an investment in the Fund, and to verify the accuracy of the information contained in the Memorandum and the Subscriber Agreement.

- (f) Reliance. The Subscriber has relied on nothing other than the Memorandum and the Subscriber Agreement (including all exhibits and appendices thereto) in deciding whether to make an investment in the Fund.
- (g) Sophistication and Economic Loss. The Subscriber is a sophisticated investor with such knowledge and experience in business and financial matters as renders the Subscriber able to evaluate the merits and risks of an investment in the Fund, and the Subscriber's financial situation is such that the Subscriber is able to bear the economic risk and lack of liquidity of an investment in the Fund.

The Subscriber understands that the purchase of the Interest involves certain risks, including those set forth under the caption "Risk Factors" in the Memorandum and, without limiting the generality of the foregoing, specifically understands that the Fund has no operating history.

The Subscriber is acquiring the Interest for its own account for investment only, and not with a view to any distribution thereof in violation of the Securities Act of 1933, as amended (the "Securities Act"), or any other applicable domestic or foreign securities law, and the Subscriber has no present plans to enter into any contract, undertaking, agreement or arrangement for any such distribution.
- (j) Subsequent Subscriptions. If the Subscriber subscribes for additional Interests in the same Share Class at a later date, the Subscriber shall be deemed to have re-executed this Subscription Agreement in subscribing for those Interests. If the Subscriber subscribes for an Interest in a Share Class other than a Share Class for which the Subscriber has executed an original Subscription Agreement, the Subscriber is required to execute an original Subscription agreement for the new Share Class(es).
- (k) No Registration of Interest; Limitations on Transfer. The Subscriber acknowledges that, based in part upon its representations and warranties contained in this Subscription Agreement and in reliance upon applicable federal and state exemptions, no Interest in the Fund acquired by the Subscriber has been or will be registered under the Securities Act or the securities laws of any domestic or foreign jurisdiction. Accordingly, no Interest may be transferred, offered or sold unless the Interests are registered under the Securities Act and any applicable state and foreign securities laws or exemptions from such registration requirements are available. In addition, the Subscriber understands that the provisions of the Operating Agreement further restrict sales or transfers of the Interests. The Subscriber hereby agrees that it will not, directly or indirectly, assign, transfer, offer, sell, pledge, hypothecate or otherwise dispose of all or any part of the Interest (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of all or any part of the Interest) except in accordance with the registration provisions of the Securities Act and the securities laws of any other

applicable domestic or foreign jurisdiction, or available exemptions from such registration provisions, and the terms of the Operating Agreement.

- (l) No Advertising. Subscriber confirms that the Interest was not offered to it by widespread solicitation or advertising.

The Subscriber acknowledges that the Fund and each Member thereof have relied and will rely upon the representations and warranties of the Subscriber set forth in this Subscription Agreement, and that all such representations and warranties shall survive the execution and delivery of the Subscriber Agreement notwithstanding any knowledge on the part of the Fund or the Fund Manager of any breach of any such representation or warranty, and the issue and sale of the Interest. The Subscriber hereby agrees to be bound by all the representations of the Subscriber's attorneys-in-fact and waives any and all defenses which may be available to the Subscriber to contest, negate or disaffirm the actions of such attorneys-in-fact, or any of them, under this Power of Attorney, and hereby ratifies and confirms all acts which said attorneys-in-fact, or any of them, may take as attorneys-in-fact hereunder in all respects as though performed by the Subscriber.

The Member must complete the signature pages of the Subscription Agreement Signature Pages, attached as Exhibit E, for any Share Class(es) it is not currently a Member:

- 1.4 Timing of Withdrawal. The Member acknowledges that the timing of its withdrawal is subject to terms and conditions detailed in the Subscription Agreement, Memorandum, Operating Agreement, and the Fund’s ability to liquidate its Underlying Investments. Certain Underlying Investments may have withdrawal policies (for example, substantial “lockup” periods or withdrawals only at year-end) that prevent the Fund from honoring a withdrawal request on a timely basis.
- 1.5 Withdrawal Charge. The Member acknowledges that certain Underlying Investments may impose a withdrawal charge to the Fund. Any withdrawal charges incurred by the Fund as a result of withdrawal requests will be borne by the withdrawing Share Class Member. When practicable, the Fund Manager will notify the withdrawing Member of any withdrawal charges to be assessed.
- 1.6 Capital Account Below Minimum Capital Requirement. The Member acknowledges that no Share Class Member may make a withdrawal, other than a complete withdrawal that reduces a Member’s capital account balance below the minimum initial capital contribution amount; however, the Fund Manager may, in its sole discretion, waive minimum Capital Account balances with respect to certain Members or under certain circumstances.
- 1.7 Withdrawal Rights. The Member acknowledges that the Fund Manager has discretion to suspend the Member’s capital withdrawal right if and to the extent the Fund:
 - (a) is unable to withdraw sufficient capital from the Underlying Investments to honor the withdrawal request;
 - (b) is able to withdraw its capital but the withdrawal would have a material adverse effect on the remaining Members. Any amounts subject to suspended capital withdrawal rights shall continue to participate in the Fund’s profits and losses.

IN WITNESS WHEREOF, the Member has executed this Withdrawal and/or Reallocation Agreement for the selected Share Class(es) of Last Atlantis Partners LLC, a Delaware Series Limited Liability Company as of the date set forth below.
